Dear Mayor Cazares:

I know that Mayor Poe of Tampa has very kindly forwarded my letter to you.

The Hanover Board of Selectmen are most anxious to receive all the information possible on the Church of Scientology as we have had many inquiries regarding same.

Any information you can furnish us with will be most appreciated.

Sincerely,

A. Donald Deluse

Dear Mr. Deluse:

This will acknowledge your letter of
May 26 in reference to the Church of
Scientology.

I believe that there might be an office of
the Church of Scientology in Tampa but I have
had no active contact or controversy with
same. I am referencing your letter, however,
to the City of Clearwater, our next door
neighbor, as I have read a number of articles
regarding very strong controversy with both
the City and the Mayor. Perhaps they might
be able to provide you with some information.

Sincerely,

William F. Poe
Mayor
