# THE CHURCH OF SCIENTOLOGY OF CALIFORNIA

L. Ron Hubbard, Founder

April 14, 1976

Director  
Central Intelligence Agency  
McLean, Virginia 22101

Dear Sir:

I am writing in hopes that you might clarify a particular matter for me. In the city of Clearwater, Florida, there is a person named Bob Snyder, a disc jockey for WBCL Radio, who has caused considerable upset in the community by circulating false information regarding the Church of Scientology. While doing this, however, he has made claims to be receiving information from the CIA and has inferred that he is somehow, either officially or unofficially, linked to your agency.

Therefore, I would appreciate hearing from you regarding this. Is Mr. Snyder receiving information from the CIA? Is he in some way connected to, working with or in any way affiliated with the CIA?

I would appreciate receiving your answers to these questions as soon as possible. At the same time, in the event that he is not connected to the CIA, I thought you might want this matter brought to your attention.

Thank you for your time and I am looking forward to hearing from you.

Sincerely,

  
Rev. Steven R. Heard
