

DECLARATION OF CAROLYN S. AMMONS

I, Carolyn S. Ammons, am over the age of 18, and if called to the stand, and under sworn oath, I could **competantly** testify as follows:

On or about the third or fourth week in December of 1982, I met with Robert Harris, Attorney, on two separate occasions.

Prior to the first meeting, I had never met Mr. Harris, nor had I ever retained him as counsel.

When I met Mr. Harris at the first meeting, he introduced himself as an attorney representing the Church, though at that time, he did not clarify which church.

This meeting lasted approximately ten hours, during which, Mr. Harris asked me about the events leading up to the splintering of the Church of Scientology, Mission of Riverside from the Church of Scientology. When the subject of the International Finance Police coming into the Riverside Mission came up, Mr. Harris said that he had been counseling Bob Harry, the Flag Banking **Officer** of Scientology Missions International not to take any more money from the Riverside Mission.

When I arrived at the Sunnyslope Mission for my second meeting with Mr. Harris, a man dressed in a full Sea Org uniform identifying himself as a Master-At-Arms on a special Flag mission. Mr. Harris indicated that I should speak to him.

For the next three hours I was with this **MAA** who tried to place me in a position where I would co-operate with Mr. Harris.

After that, I met with Mr. Harris who had me read some **law** about **how** one director of a corporation could sue another director. He said that he needed my signature so that a suit could be brought between Bent Corydon and myself, so that the church would not be brought into it. I then told him that I had already resigned as a director of the Church of Scientology, Mission of Riverside, at which point he said, "Oh my God. This suit has already been typed and is ready to be filed at the court and all I needed was your signature."

I DECLARE UNDER PENALTY OF PERJURY THE ABOVE IS TRUE AND CORRECT. EXECUTED IN THE CITY OF RIVERSIDE, CALIFORNIA ON THE **17TH** DAY OF MAY, 1983.

I, Carolyn S. Ammons, am over the age of 18, and if called to the stand, and under **sworn** oath, I could **competantly** testify as **follows**:

In early **January** of 1983, I talked **with** Reuben **Quezada** on the front **lawn** of the Sunny-slope **Mission**.

I asked Reuben what he had **been** doing lately and he said that he worked for the Guardian'6 Office helping the attorneys **with** the **suit** against the "squirrel group", which I took to **mean** the Church of **Sciologos** group.

When I asked him **how** that suit was progressing, he **said** that they had not **been** able to **serve** the papers on Rent Corydon or anyone yet.

I **then** asked him what the point of the **suit** was and he **said** "to keep **suing** them until they were broken financially."

I DECLARE UNDER PENALTY OF PERJURY THE ABOVE IS TRUE AS-2 CORRECT. EXECUTED IN THE CITY OF RIVERSIDE, CALIFORNIA ON THE 17TH DAY OF MAY, 1983.
