

AFFIDAVIT OF JOHN BARROW

I, JOHN BARROW, do state the following:

1. I have participated in the pastoral counseling services of the Church of Scientology of Arizona since August 1991.
2. I am fully aware that Scientology is a religion and that the numerous gains and benefits I have received through participation in Scientology Religious Technology are spiritual and religious in nature.
3. I have not been harmed in any manner or form by my involvement with Scientology Religious Technology or Dianetics Spiritual Healing Technology. I have received only benefits.
4. Prior to my participation in the services of the Church of Scientology of Arizona, I established a pattern of committing actions that I now know are contrary to the teachings and beliefs of the Scientology religion. These include the illegal acts of routinely driving my vehicle at excessive speeds; engaging in violent altercations with my wife; and carrying a concealed weapon, as well as the unethical actions of allowing serious conflicts with my wife ~~and with my family~~ ^{JPB} to remain unresolved. I understand that in order to continue to receive the pastoral counseling and other services of the Church, I must cease committing any and all illegal acts. I further agree that I will not request a refund of my donations for pastoral counseling services, for pastoral counseling training or for materials.
5. I do not hold any Church of Scientology responsible in any manner or form for my past or present conditions or actions, or future conditions or actions. I know that I am fully

responsible for my conditions and actions.

6. I hereby release the Church of Scientology of Arizona and all Churches of Scientology, their staff, officers, Boards of Directors, religious workers, employees, agents, representatives, parishioners, affiliated organizations or entities from any responsibility for any of my actions or conditions.

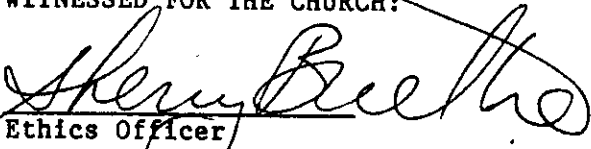

7. I have read and fully understand the nature and content of this affidavit. I am currently not under any medication or substance which would alter my ability to think clearly. Each of these statements is made of my own free will without any threat of punishment or duress.

I declare that the foregoing is true and correct.

Executed this 9th day of October 1990 at Phoenix, Arizona.
