Dear Commissioner Martin,

Over the past six months much interest has been generated among civic leaders about the religious activities at the Fort Harrison and Clearwater Building. We are proud of our activities and facilities and the growing interest in them shown by our parishioners from around the world who have come to Clearwater for advanced religious studies.

In an effort to share with you the changes that have been made at the Fort Harrison and to allow you to see for your self what we do, we cordially invite you to a reception, Wednesday evening, August 11th, at eight o'clock.

It is planned to be an informative and enjoyable evening with not only local Scientology officials attending, but also parishioners from all over the world. We sincerely hope you will join us.

Sincerely,

RSVP
